

UNESCO Chair Con-E-Ect presented at the MONITOX conference

George N. Zaimes presented a poster online titled “UNESCO Chair Con-E-Ect: Mapping sustainability for riparian areas and deltas” at MONITOX International Conference “Environmental Toxicants in Freshwater and Marine Ecosystems in the Black Sea Basin” Kavala, GREECE, September 8th-11th, 2020. The Conference was organized by the International Hellenic University was financially supported by the Project BSB 27 - Joint Operational Programme Black Sea Basin 2014-2020.

In this poster the objective of the Chair Con-E-Ect to elaborate an International Common Strategy Framework for the Conservation and Ecotourism of Riparian and Deltaic Ecosystems, the international partnerships, the current national and international projects and its MSc program “Man & Water” were presented.
